The Governor of Bank Indonesia, Agus Martowardojo, said that BI appreciates the companies or corporations that provide the best foreign exchange. “The award was presented to all economic players and national figures which have recently made best contribution and performance to safeguard and advance the Indonesian economy, as well as inspiring the enhancement of quality and economic governance of the nation,” the Governor of Bank Indonesia, Agus D.W. Martowarjojo, at the Bank Indonesia Award Ceremony 2017, Tuesday (18 July), in Jakarta.

Further, Governor of Bank Indonesia said that the award presentation also reflects the synergy between Bank Indonesia and the economic players, which together with the government, OJK and LPS attempt to materialize the macroeconomic stability, as well as facilitate the acceleration of economic growth in a health and continuous manner.

This award was given for the performance of KPC which has ensured all export foreign exchange received in the domestic foreign exchange bank and reported in accordance with the Bank Indonesia Regulation. The export foreign exchange contributes to the nation's economy.

Amongst 30 (thirty) awards given to individuals, corporations, banks and the media, from 16 (sixteen) categories, BUMI Subsidiary Kaltim Prima Coal was conferred the distinction of Best Contributor of Foreign Exchange from Exports in Indonesia.

Achievement as the Best Contributor of Export Foreign Exchange in 2017 by Bank Indonesia

Dileep Srivastava - Director & Corporate Secretary of PT Bumi Resources Tbk. expressed his gratitude for the appreciation from BI Governor Agus Martowardojo. “The award indicates that BUMI group subsidiary KPC is committed to compliance with all regulations in Indonesia in a consistent manner in accordance with visible implementation of good corporate governance. And more importantly, BUMI contributes significantly to the economy of the country. BUMI group has a strong position in the national resources sector and is proud to play a positive role in Indonesia’s economic development as evidenced by this prestigious award.”
