### **BUMI SUBSIDIARY, ARUTMIN GRANTS 5 HECTARE LAND TO TANAH LAUT REGENCY, SOUTH KALIMANTAN FOR CSR PROGRAM**

**Jakarta, 26 June 2018**

PT BUMI Resources Tbk, through its business unit PT Arutmin Indonesia (Arutmin) provides aid as grant of land measuring 5 Ha to the Government of Tanah Laut Regency, South Kalimantan as part of continuing CSR programs of Arutmin. The grant was given symbolically at a halal bihalal gathering carried out at Taman Hutan Jati, Pelaihari, Monday (25 June 2018) by Arutmin's representative, Bapak M. Nurhilmiansyah to Regent of Tanah Laut, Bapak H. Bambang Alamsyah ST. This granted land would be utilized to set up a central cattle market for livestock trade, particularly modern cows, to meet needs of the local population serving the province of South Kalimantan.

Regent of Tanah Laut, Bapak H. Bambang Alamsyah ST said that "Tanah Laut Regency is a central location for livestock production (particularly cows) that supplies beef for the Province of South Kalimantan and East Kalimantan. With this aid from Arutmin, we are optimistic that we would be able to raise the production of beef which for the benefit to the economy and livelihood of Tanah Laut Regency and its people".
